

Question	Detail
<b>Do you acknowledge that your business invoices Campbell Arnott's directly / operates under your own Safety Management System (SMS)?</b>	Subcontracting companies <b>do not</b> need to register their company. Direct contracting companies will instead register their subcontractors' individual workers.
<b>Has your company been appointed as a Principal Contractor?</b>	A principal contractor is a person conducting a business or undertaking that commissions a construction project. A construction project is a project where the cost of construction work is \$250,000 or more in QLD, NSW or VIC or <b>\$450,000 or more in SA.</b>
<b>Is your company certified to the AS/NZS 4801 or OHSAS 18001 International Safety Management System standard?</b>	This certification is not a requirement of this process and very few companies hold this certification.  If you select Yes, you will later be asked to provide a current Australian/New Zealand Standard 4801 or OHSAS 18001 Compliance Certificate showing a <b>JAS/ANZ stamp.</b>
